02 May 2017

Dear all

HIGHWAYS ENGLAND MONTHLY UPDATE: May 2017

I am pleased to be able to provide Highways England's monthly update for May 2017.

Planned works

Please see attached details of Highways England's planned works between 1st May 2017 and 31st March 2018.

Please note: all dates may be subject to change, for example if the road condition deteriorates more quickly than expected or as a result of bad weather. Where possible, changes to dates will be included in future monthly updates. This list does not include emergency or unplanned closures.

We are in the process of finalising our proposals for the diversion routes for works requiring full overnight closures, and will provide further details of these in the coming weeks. At the latest, these details will be included in our monthly update for June 2017.

Should residents wish to raise any queries or make suggestions regarding the contents of these updates, we ask that they refer these to us through the parish councils. This will enable us to work more closely with the councils and take a co-ordinated approach.

Yours sincerely

Letty Askew

The above table gives information relating to our Planned Programme of Works on the A38 in Staffordshire over the next 12 months. The dates are subject to change and we will send a scheme specific update prior to any works commencing on the network. Further details for the above schemes can be found below.

A38 Branston

Start of Works: 1 October 2017

End of Works: 1 November 2017

Works Function: Resurfacing

Traffic Restrictions: Works will be undertaken utilising daytime lane closures with no diversion route in place.

A38 Branston under Needwood

Start of Works: 1 November 2017

End of Works: 8 December 2017

Works Function: Electrical works along with sign cleaning and replacement.

Traffic Restrictions: Works will be undertaken utilising daytime lane closures with no diversion route in place.

A38 Burton upon Trent

Start of Works: 1 November 2017

End of Works: 31 March 2018

Works Function: Electrical works along with sign cleaning and replacement.

Traffic Restrictions: Works will be undertaken utilising daytime lane closures with no diversion route in place.

A38 Northbound Marker Post Alrewas VRS

Start of Works: 31 July 2017

End of Works: 13 August 2017

Works Function: Vehicle Restraint System: works to upgrade and repair the safety barriers at two separate locations.

Traffic Restrictions: Works will be undertaken utilising night-time lane closures with no diversion route in place.

A38 / A50 Northbound Off Slip Road (Toyota Island)

Start of Works: 4 September 2017

End of Works: 26 November 2017

Works Function: Resurfacing, lining and signing works.

Traffic Restrictions: Works will be undertaken utilising daytime lane closures with no diversion route in place and night-time full closures with a fully signed diversion route in place.

A38 Tamworth Road VRS

Start of Works: 9 October 2017

End of Works: 11 October 2017

Works Function: Vehicle Restraint System: works to upgrade and repair the safety barriers.

Traffic Restrictions: Works will be undertaken utilising night-time lane closures with no diversion route in place.

A38 / M6 Toll Roundabout Resurfacing (Littleworth Roundabout & Lindridge Roundabout)

Start of Works: 15 May 2017

End of Works: 28 May 2017

Works Function: Resurfacing of the roundabouts at the A38 / M6 Toll junction.

Traffic Restrictions: Works will be undertaken utilising night-time full closures with a fully signed diversion route in place. Due to the location of the roundabouts (south of Basset's Pole), these works will not affect the A513 or A515.

A38 Northbound Approaching Swinfen Roundabout

Start of Works: 5 September 2017

End of Works: 11 September 2017

Works Function: Resurfacing works and associated lining and signing works.

Traffic Restrictions: Works will be undertaken utilising night-time full closures with a fully signed diversion route in place.

A38 Streethay Slip Road Joint Works

Start of Works: 26 June 2017

End of Works: 2 July 2017

Works Function: Repair and upgrade of the bridge joints.

Traffic Restrictions: Works will be undertaken utilising night-time full slip road closures with a fully signed diversion route in place.
