

Kings Bromley Open Gardens

The Open Gardens event, held on 16th and 17th of June, was a great success with the gardens full on Sunday and the car park on the Show Field having to be extended! The Ryknild Rabble danced, the Lichfield Community Jazz Band performed and the WI yarn bombed and provided teas. Thanks to all who supported this event, especially those who opened their gardens.

Over £2,600 was raised for the Village Hall Refurbishment Fund, which recently also received £2,635 from the Parish Council. Everyone in the village will have received a flyer inviting them to 'buy a brick' for the Fund. Please support this campaign: it's your village hall.
