

Dear Customer

**Kings Bromley Post Office®**  
**Village Hall, 35 Alrewas Road, Kings Bromley, Burton-on-Trent, DE13 7HW**

**Service Temporary Closure**

We are writing to inform you that, regrettably, following the resignation of the postmaster, the above service closed temporarily on Thursday 28 June 2018. Please accept my apologies for the late notification on this occasion.

I would like to assure you that we are currently investigating the options available which will enable us to reinstate a Post Office service to the local community. In exploring this, it is important that any future service is sustainable for the person operating the service, and for Post Office Limited.

Future provision will reflect customer numbers and usage and we may take the opportunity to establish an alternative type of service. This may be an outreach service where a postmaster from a nearby branch offers the facility with hours of opening set to reflect the likely number of customers who will use the service.

If you have any questions you would like to raise about this matter, please write to me via the National Consultation Team at the address shown at the end of the letter. Please note that your comments will not be kept confidential unless you expressly ask us to do so by clearly marking them "In Confidence".

Any future changes to service provision would be handled in line with our Principles of Community Engagement. You can find more information about these Principles at the end of this letter.

It would be helpful if you could share this information with any local groups or organisations that you know within the community, for example on noticeboards, local charities and in GP surgeries, to help our customers and your constituents understand what is happening to the Post Office in the local community. If you would like a supply of posters please let us know.

We would like to apologise for the inconvenience the temporary closure may cause. We hope that our customers will continue to use the Post Office and full details of alternative Post Office services in the area are shown at the end of this letter.

We will write to you again once I have any news about our plans for future service provision.

Yours faithfully

*Karen Coles*
